Addictive Drummers. HTC. Dronezone. Demo. sample. release. packs. AIO.The musical after-school special was based on a true story about secret child sex cult Nxivm. The cult, which was founded by then-Heights resident Keith Raniere in the 1980s, recruited many celebrities and politicians to their ranks. The group is accused of brainwashing Raniere's followers and turning them into slaves, using sex, blackmail and other threats. The Hollywood Reporter said the Netflix series, which debuts on August 17, would go into the music of cult leader Raniere, in a way never seen before. "Satan has a seductive aspect, and it really draws you in," co-creator and executive producer Tanya Saracho said in the August issue of THR. "When you see how the music is creating this extreme adulation, this insane devotion to Raniere, you feel it too. That's why that part of the film is so powerful." Other acting credits for the cast include Danny Masterson, Rosario Dawson, Taryn Manning and Katharine McPhee. The series follows Raniere's trial and conviction on charges of pimping and sex trafficking. It will also follow part of his new life in Mexico and the other, parallel life, in which he has his own dedicated followers. The trial left many questions about Raniere's role in the cult unanswered. He has denied any role in the sex cult. The cult leaders' brainwashing - known as "enlightenment" - had changed the lives of many of the cult members, who created their own subculture where followers shared the group's teachings. But the real-life story of the cult became known when one of its members, Allison Mack, was arrested. She pleaded guilty to being a co-conspirator in Raniere's crimes, and has since been released. Share article She was only a small part of the cult, but her testimony during Raniere's trial shed light on the darkness and the trappings of Nxivm. She was called as a witness against
